Abstract

The paper abstract in English, of no more than 300 words. The abstract should not include any mathematical symbols, figures, tables or references. It is required that the authors have the draft article reviewed for language proficiency before submission.

Keywords: keyword one, keyword two

1. INTRODUCTION: ALL CAPS

The editors reserve the right to make minor editorial adjustments without consulting the author. The use of abbreviations should be avoided as far as possible. Manuscripts of no longer than 10 pages (4000 words) may be submitted in on the conference EasyChair website. Authors are required to conform to the instructions and format below. Use this template, and do not format the pages and layout.

Authors are required to use the preconfigured formatting as in this template. Due to time constraints, the editorial panel will not be able to do extensive reformatting when compiling the conference proceedings.

The body text of the article should only start on the page following the title and abstract page. Use times font at 11 point size, single spacing and a page margin of 20 mm along the sides and 25 mm at the top and 25 mm at the bottom, gutter 7 mm, gutter position inside, with full justification, should be used on A4 paper size. Header and footer layout 15 mm. Figures and tables should fit within the prescribed margins and should form an integral part of the article and be numbered consecutively in Arabic numerals. Labelling and lettering of figures and tables should be times at 11 point size. No lines open between paragraphs, except for the 6 pts allowed by the predefined style.

1.1. Citations

Use *citep*{ } for numbered reference [1], *citet*{ } for name and number citation Alshraideh et al. [2]. Cite multiple references with *citep*{ } comma separated [1, 3].
